Saturday 10 April 1948

1. Executive Duty Officer.

2. The Director informed me that he had received a call from the Press asking for comment on a proposed resolution by Rep. Clarence Brown (R., O.) that there be an investigation of the Central Intelligence Agency to determine whether or not we had appropriately informed the State Department of impending revolution in Columbia. The Director made no comment.

3. After examination of the AP news ticker at FBIB, which gave the full text of the Brown statement, I informed the Director that Mr. Brown had requested a meeting of the House Committee on Expenditures for 10:00 o'clock 12 April to con-
